Date Claimers

Thank you all for an amazing final fortnight of Term 3! It is hard to believe we have reached the end of another busy and successful term. The past few weeks have been filled with wonderful learning experiences, exciting activities and plenty of opportunities for our students to have fun and enjoy being part of the Ramsay community.

Playgroup

Thank you to all the families who have attended Playgroup this term. It has been wonderful to see such great participation. Our last Playgroup of the term will be next Tuesday.

Playgroup will return in Week 1 of Term 4 and will continue to be held on Tuesdays from 9:00am. Playgroup is a free service run by Ramsay State School and is a wonderful opportunity for our local Pre-Prep children and families to connect with our school community and become familiar with our staff, students and school environment before starting Prep.

If you would like to come along next term, we would love to see you! Please also spread the word and let any families with young children know about our Playgroup. We are always excited to welcome new families to Ramsay.

Amaroo Environmental Education Centre

Last Monday, all Ramsay students travelled to Amaroo Environmental Education Centre for a fantastic day of outdoor learning and adventure. It was wonderful to see students from Prep through to Year 6 learning and exploring together and making the most of the many experiences Amaroo has to offer.

Throughout the day, students had the opportunity to participate in a range of environmental and outdoor education activities. They particularly enjoyed exploring the stick and rock play space, which was a huge hit with students of all ages.

A big thank you to the staff at Amaroo for providing such an engaging experience for our students. We are looking forward to hearing from the students about their favourite parts of the day.
